

# COOL CAPS™

- **ATTRACTIVE**
- **ADDED VALUE**
- **COMFORTABLE**
- **DURABLE**
- **SUN PROTECTION**
- **ECONOMICAL**

## DESIGNER TRACTOR CANOPY

This canopy has a distinctive shape and clean automotive finish. Its high gloss, patented iso-ceramic finish provides a durable, UV resistance that minimizes sun fading. Available in 3 sizes and many colors to compliment your tractor. Includes a reflector package.

## TRACTOR MATCHING COLORS

Cool Caps™ are available in any color. For custom colors allow longer lead time.

**NEW**

### LOW-PROFILE MOUNTING BRACKET

Install the Cool Cap™ tractor canopy with this low-profile fixed mounting bracket. The universal bracket design fits most foldable and stationary ROPS on the market today.

### EASY-OFF MOUNTING BRACKET

Remove and install the Cool Cap™ tractor canopy in just minutes without the use of tools. The quick release spring lock ensures functionality and versatility. Fits most foldable and stationary ROPS on the market today.

**HELPS PROTECT AGAINST SKIN CANCER**

## AVAILABLE IN 3 SIZES!

Whether you have a small garden tractor or large horsepower tractor, you can now choose between 3 sizes to customize the fit to your tractor.
