DANUSER®

PALLET FORK & GRAPPLE

"Good enough won't do - it must be right." - K.B. Danuser, Founder 1910

GENERAL IMPLEMENT DISTRIBUTORS

LOCK & LOAD

Danuser offers pallet forks for a number of different quick attach systems.

Expand the functionality of your pallet forks to carry logs, rocks, pipe, brush, debris, hay bales, fence posts, and more. Two options fit most pallet fork frame brands. Multi-Purpose Grapple bolts on with no frame modifications required. Unique design allows the grapple jaw to be quickly pinned in the upright position for normal pallet fork use.

PALLET FORKS

- Heavy-duty rail style frame supports up to 6,000 lb.
- Excellent operator visibility through frame, brick guard, & grapple
- Multiple tie-down locations on frame
- Flip-up latch style tine adjustments
- 3,500 lb. or 5,500 lb. tine capacities
- 48" tine length
- 2-Year Warranty

A HISTORY OF INNOVATION

Established in 1910, Danuser is a 4th generation, family owned and operated company. With decades of design and manufacturing experience, we build our products with reliability that they will last for generations. From our renowned auger system released in the mid-1940s to the more current designs, our commitment to our customers remains the same - to design and build products that are the benchmark of quality, reliability, and longevity.

In the words of our founder K.B. Danuser, "Good enough won't do – it must be right."

Danuser manufactures industrial and agricultural attachments for various applications, serving many industries worldwide. Please visit **www.danuser.com** to see our full line of attachments.
