

# Rigid Harrow Sections

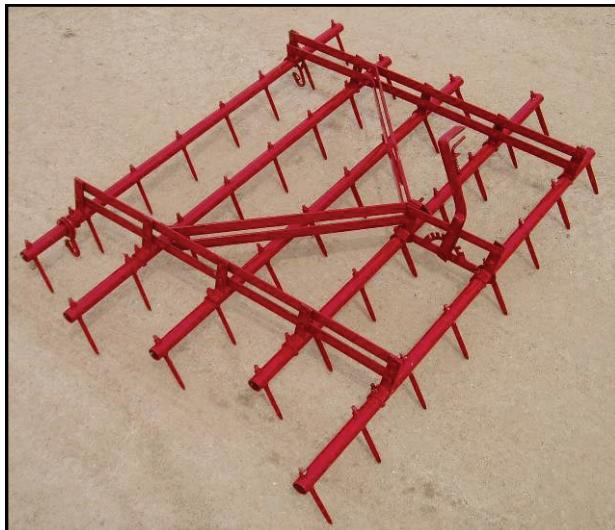

## SA Series Closed End Square Bar

- Lever adjustable tooth pitch setting.
- Extra-heavy side bars are offset which gives complete coverage without ridges.
- Lock hooks keep harrow pull chains in place.

Model #	Cutting Width	Approx. Wt.
SA-542	5' 0"	121 lbs
SA-647	6' 0"	130 lbs
SA-757	7' 0"	160 lbs

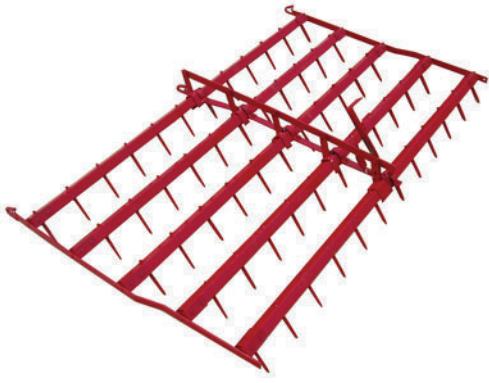

## SO Series Open End Rigid Round Bar

- Double side bars and double adjusting arms provide a strong, rigid section.
- Lay down lever is easy to adjust, fold and store.
- Heavy-duty construction for superior leveling.

Model #	Cutting Width	Approx. Wt.
SO-50	5' 0"	120 lbs
SO-55	5' 6"	123 lbs
SO-60	6' 0"	130 lbs
SO-66	6' 6"	135 lbs
