

MOUNTED ROLLING BASKET

- Fits virtually all makes and models of field cultivators.
- Designed for 3" and 4" rear tool bars.
- Heavy-gauge rectangular tube frame.
- 12" diameter basket with eight 1/4" x 1 1/4" high-carbon bars.
- New maintenance free hubs.
- Spring-adjustable down pressure for varying soil conditions and types for optimum performance.
- Double Rolling Baskets oscillate to follow field contours.
- Packages with sections feature our FH series open end flexible harrows.
